MINISTRY OF IRRIGATION & POWER**ORDER***New Delhi, the 6th January 1966*

No. EL-II.5(4)/61.—The Government of India are pleased to approve the following amendment to ORDER No. EL.III.360(I)/I, dated the 29th May 1958 regarding Regulations and Conditions for the Grant of Competency Certificates to Electrical Supervisors, Wiremen's Certificates, and licences to Electrical Contractors, under sub-rule (1) of Rule 45 of the Indian Electricity Rules, 1956, for the State of Pondicherry. These regulations shall take effect from the 1st January 1966.

- (1) In part II, the existing paragraphs 9(c) and 9(d) shall be substituted by the following:—

9. Grant of certificate and permit to Supervisors:

(c) Grades of Supervisors:

There shall be two grades of Electrical Supervisors, namely, Grade "(A)" and Grade "(B)." Grade (A) Supervisors shall be authorised to supervise electrical installation works at low, medium and high voltage up to but not exceeding 33,000 volts. Grade (B) Supervisors shall be authorised to supervise electrical installation works at low and medium voltage only.

(d) Qualifications for Grade (A) Supervisors:

Every candidate who holds a L.E.E. diploma of the Technological Diploma Examination Board, Madras or has undertaken an equivalent or higher course in electrical engineering acceptable to the Licensing Board and has at least one year's practical experience in actual installation work up to all the voltages specified shall be eligible for Grade (A) Supervisors Competency Certificate and permit.

Provided that the Board may exempt from holding of the L.E.E. diploma or such qualifications to experienced persons having matriculation or equivalent qualifications and possessing supervisory experience in actual electrical installation

works, including high voltages for not less than fifteen years; or who hold similar certificates issued by other Licensing Boards. The Competency Certificate and permit for Grade (A) Supervisors shall be granted in Forms B/A and B respectively.

(c) *Qualifications for Grade 'B' Supervisors*

Every candidate who holds Wireman Competency Certificate issued by the Board and who is engaged in the trade for not less than five years or has passed the certificate examination in electrical wiring, conducted by one of the Polytechnics and has not less than five years experience in the electrical installation work up to medium voltage shall be eligible for the grant of Grade 'B' Supervisor's Competency Certificate and permit. The Competency Certificate and Permit for Supervisors shall be granted in the Forms B/A and B respectively.

(f) *Applications :*

Application for the Competency Certificate shall be made to the Secretary in Form 'A' clearly stating whether the application is for Grade 'A' or Grade 'B' Supervisors Competency Certificate and Permit.

(2) *In part III, the existing paragraphs 13 shall be substituted by the following :—*

13. (a) *Classification of Contractors :*

There shall be two classes of licensed electrical contractors viz. Grade 'A' and Grade 'B'. Grade 'A' contractors shall be eligible to take up all types of electrical installation works up to 33,000 volts. Grade 'B' contractors shall be eligible to take up electrical installation works of only low and medium voltages not exceeding 650 volts.

(b) *Applications :*

Applications for the grant of Grade 'A' Contractor's License and Grade 'B' Contractor's License shall be made to the Secretary, in Form D/A and Form D/B respectively.

(3) *In part III, the existing paragraph 14 shall be substituted by the following :—*

14. (a) *Conditions for grant of Grade 'A' Contractor's License*

Grade 'A' electrical contractor's license shall be granted in Form 'E/A' to a person or firm who satisfies the Board that;

(1) he has in his possession the following :—

- (ii) has in his sole employ a Supervisor holding 'B' Grade Competency Certificate and Permit, issued

by the Board and under whose direct supervision all works undertaken by the Contractor are carried out.

(c) Provided that the Board may refuse to grant such licence to any person, who in the opinion of Board is not fit to hold such licence.

(4) *In part III, the existing paragraph 21 shall be substituted by the following :—*

21. *Staff of Contractor :—*The entire staff of every licensed electrical contractor shall consist of bonafide holders of competency certificates and full time employees.

Provided that a Contractor may engage apprentices for training in which case the total number of apprentices employed by him at any time shall not exceed 25 per cent in case of Grade 'A' Contractor and 50 per cent in case of Grade 'B' Contractor of his total wiring staff inclusive of apprentices, but exclusive of coolies and provided further that the Contractor shall not permit such apprentices to carry out any electrical installation work, including addition, alterations, repairs and adjustments to existing installations covered by Rule 45 of the I.E. Rules, 1956, except under the direct supervision of a person holding Supervisor's 'A' Grade or 'B' Grade Certificates of Competency as the case may be and under the guidance of at least one certified wireman on the premises.

Every contractor shall maintain an up-to-date register in Form F of all Supervisors, Wiremen and apprentices and it shall be open to inspection at any time by the Electrical Inspector or any officer appointed to assist the Electrical Inspector to whom a copy of such register duly signed by the Contractor shall be supplied.

No person whose name is not entered in such register shall be considered a bonafide employee on the Contractor's Wiring Staff.

(5) *In part III the existing paragraph 23 shall be substituted by the following :—*

23. *Notice of commencement of work :—*Notice of electric installation work, including additions, alterations, repairs and adjustments to existing installation except such replacement of lamps, fans, fuses, switches and other component parts of the installation as in no way alters its capacity or character, shall be given in writing by a licensed Electrical Contractor to the Electrical Inspector within 48 hours of the commencement of such work.

Provided that the above notice shall not be required to be given in the case of low and medium voltage installations.
